

Welcome to Second Grade!

My name is Mrs. Moss and I will be your teacher this year. We are going to have a terrific year of learning and lots of fun. I absolutely love teaching 2nd grade, and I am sure we will have the best year ever! I am so excited to meet you, and I know we will make a great team!

It's hard to believe September is almost here! This summer I enjoyed time at the beach with my family, took many bike rides, and hiked Glacier National Park in Montana. I also went on many dog walks and read several good books. I hope you had a fantastic summer, and I look forward to hearing about your adventures when school starts!

Second grade is full of fun learning! You will make many new friends, read amazing books, solve math problems, write stories, and play games. You will be so proud of how much you learn by the end of this year!

On the first day of school, please come prepared with the supplies that are listed on the second grade supply list. There is no need to label items with your name. Additionally, please start putting together some books to keep in your book box for independent reading. Finally, please bring in a picture of you and your family for our classroom "Wall of Fame."

I hope you are as excited as I am for the upcoming year. Enjoy the rest of your summer, and I will see you in September.

Warm wishes,

Mrs. Moss
