

# BEE AMAZING in Third Grade!

Dear Third Grader,

Welcome to my third grade class! Room 18 is the best place to BEE! I can't wait for us to work together to have our room SWARMING with good readers, writers, scientists, mathematicians, and thinkers! Although summer is almost over, and I know that STINGS, I'm looking forward to meeting and working with you this year - our classroom is sure to be BUZZING!

Here's a little bit about me! As you may have known, last spring I had a baby! Her name is Eloise and she is the sweetest little girl. I've been spending a lot of time soaking up all the baby snuggles before I return to school to be your teacher. When I'm not teaching, I love to read to Eloise, take long walks at the park with my Australian Sheppard puppy named Adelaide, and go to farmers markets with Mr. Bernstein. Some other quick fun facts about me are I love baking and eating desserts, my favorite color is navy blue and I absolutely cannot wait to be your teacher this year!

I'm looking forward to adding you to our hive! See you in the fall!!

Love,  
Mrs. Bernstein
