Think about some things that you would like to share with our class about YOU and be ready to tell us on the first day of school. You will make many new friends, read amazing books, solve math problems, write stories, and play games. You will be so proud of how much you learn by the end of this year!

Check out the second grade supply list on the AMS website and bring those items with you on the FIRST day of school. Additionally, please start putting together some books to keep in your book box for independent reading.

I hope you are as excited as I am for the upcoming school year!! Enjoy the rest of your summer and I will see you in September!!

Best Wishes,  
Mrs. Mandraccia
