

August 2023

Dear Third Grader,

Welcome to third grade! My name is Mrs. Marce and I'm super excited to be your teacher this year. Our 180 days together will be filled with kindness, curiosity, and lots of fun learning activities!

I hope you are enjoying your summer! I've had a busy summer with my family who include my husband, two daughters, one son, and our cat. My family and I did quite a bit of traveling around the country. In July my son, Blake, and my younger daughter, Sierra, and I took a little road trip. We stopped in Maryland, so Blake could take a tour of the University of Maryland. After that we headed to Virginia. Sierra attended a gymnastics camp for two days and while she was at camp Blake & I visited Williamsburg. Once camp was over, the three of us headed to Georgia, so he could visit the campus of Georgia Institute of Technology. This month all of five of us made the journey to Indiana to move my oldest daughter, Serenity, into her dorm room. Yes, my daughter is now a freshman in college. While out there Mr. Marce, Blake, Sierra, and I toured Purdue University and Northwestern.

Since school is right around the corner, you may have already looked at the third grade supply list on the Amsterdam School website. Please make sure you take all of your supplies out of the packages, label all your supplies with your first & last name, and place everything in a large Ziplock bag labeled with your first & last name. This will help us in setting up desks with our supplies when we return to learning in school.

I am looking forward to the first day of school on Wednesday, September 6th. Enjoy the last few days of your summer.

Sincerely,

Mrs. Marce
