

2023-2024 School Year

Dear First Grader,

Can you believe you are going to be a 1st grade student at Amsterdam School? My name is Mrs. Guzman and I will be your teacher this school year, 2023-2024. First grade is my specialty since I have been teaching it since 2008 in Hillsborough!

I hope you have been enjoying your summer with a lot of great activities! I have been enjoying mine with my husband and our two children. My daughter Aivah, is 10½ years old and my son, Henry turned 8 years old in July! We have been splashing around in the pool, going to parks and riding bikes where we live in Flemington, NJ. We spent time traveling to see family in Florida and also went to the Ocean City, NJ beach and boardwalk.

I am very excited to be your teacher for this school year. First grade is going to be so much fun. You will learn to read, write, spell and solve math better than you have ever done before! To top it off, you will even have your own desk to keep all your own things! You are going to be so grown up.

I am looking forward to meeting you. We are going to have a great year with each other!

Sincerely,
Mrs. Guzman
