

WELCOME

Hello, I'm Mrs. Weiss!

Welcome back to another school year! I am thrilled to be your teacher this year. This is my **13TH** year of teaching 4th grade at AMS. Wow, time flies when you're having fun! 4th grade is an exciting year as an AMS student. It's your time to shine as a top dog student. I have heard what hardworking students you are, so I know we will make a great team.

This summer was fantastic! I had a lot of time to travel, relax at the beach, go on hikes, and snack on delicious summer treats (ice cream, lots and lots of ICE CREAM)! Most importantly, I spent time enjoying my favorite hobby, **READING!** I loved sitting on the beach with a book in my hands! Did you read any memorable books this summer?

4th grade will be an unforgettable school year. I will be here to support and guide you every step of the way! Please bring your supplies when we return to AMS. The 4th grade supply list is posted on the Amsterdam School Website. Don't forget to bring a positive attitude and some creativity with you, too. Enjoy your final weeks of summer vacation and get ready for a fabulous year! I can't wait to meet you!!

A Fun FACT about Mrs. Weiss:

You may remember me as Ms. DiLeone or Ms. D! I got married in April, 2023! You can call me Mrs. Weiss!

A Few of my Favorites...

PLACE: ANY beach! 

COLOR: yellow 

FRUIT: PINEAPPLES
