

### ***Medications for the 2021-2022 School Year***

If your child will need medication to be held in the health office for daily administration or for emergencies, please make sure to print out the appropriate medication form from the [https](https://www.hanna@https.us) website.

These forms can be printed and brought to your child's health care provider over the summer.

***Please note that any medication held in the health office, even over the counter medication, will require a doctor's order.***

I will be in the Amsterdam health office to receive medications on:

August 18

August 19

August 24

August 26

August 30

No appointment is necessary on those days.

Medications must be brought in by a parent or guardian and must have the accompanying doctor's orders. Please do not send medication to school with your child. If you are unable to make any of the times above, please feel free to contact me via email at [rhanna@https.us](mailto:rhanna@https.us) and I will be happy to find a mutually convenient time. In addition, if you would like to schedule a phone conference during one of these days to go over your child's specific health needs that would be fine as well.

I hope everyone enjoys a happy and healthy summer break!

Rachelle Hanna  
School Nurse
