Hello AMS Family!

It is hard to believe that we are less than a week away from Spring Break! The students at AMS have been devouring books, writing opinion pieces, learning long division, sharing historical fiction journal entries, creating beautiful art and so much more!

Last week the third grade students had a wonderful trip, with gorgeous weather, to the Somerset County Environmental Education Center in Basking Ridge. Students and teachers could not say enough about their experience!

Registration is already open for summer enrichment, please see the information below regarding Hillsborough Township Public Schools Summer Enrichment Program.
