Kindergarten Supply List

- **Large Backpack**-At least 11" by 14" **No wheeled backpacks please*!
- **One Folder**-This will be used as a Take Home folder so a two pocket folder would work best. Please make sure the pockets are horizontal and not vertical. *Plastic ones last the longest!
- **Art Smock**- An old t-shirt would be fine. Please send the smock in a large plastic Ziploc bag, labeled with your child's name..
- **3 Expo markers with an eraser**- Please make sure the Expo markers are blue, black, green or red. Also, an old sock works well as an eraser.
- **Pencil Box**- The students will be storing their dry erase markers and eraser in here, so please make sure it is large enough to hold them.
- *****OPTIONAL*****- Headphones for Nexus Tablet (headphones will be supplied, but some children may prefer to bring in their own.)

**We will have crayons, markers and colored pencils available for the students to use throughout the school year, so it is not necessary for them to bring to school.

PLEASE label all items with a permanent marker!
