Dear AMS Families,

We are down to 18 days of school left! Where has the time gone? Our third and fourth grade students wrapped up our NJSLA testing this week. Any student who was absent will make up their test next week.

The long range forecast for this Thursday, 75 and sunny, looks absolutely fantastic for our Field Day. Mother Nature is setting us up for a fabulous day.

Please support ASHA by heading to Lenny's Pizza and Pasta for ASHA's Cook's Night Out on Wednesday, May 24, 2023. See the [flyer](#) for details.

Please see the attached [letter](#) from our multicultural committee who has fun filled activities and project for students to help us celebrate during the week of June 5th-9th. Finally, as we gear up for the final stretch of the school year, here are just a few reminders of some upcoming events:

- Locks of Love Assembly - June 1, 2023
- Author Visit – Sharon Dennis Wyeth - June 5, 2023

Locks of Love

Amsterdam Elementary School will be **CLOSED** on the following dates:

- May 26, 29, 30, 31
- June 6 & 16

Smile  
it's  
Friday

Enjoy your weekend!

Sincerely,  
Michele Fisher
