

September 2018

Dear Boys and Girls,

Congratulations!! You are officially in my third grade class. My name is Mrs. Vitanza and I am so excited to have you as one of my students. We will be doing many exciting, wonderful and challenging things in the third grade.

Third grade is a year of many changes. My mission is to create a challenging and nurturing classroom where we can have fun while we learn. You will grow academically, socially and emotionally. You will become independent, responsible learners. I am delighted to be part of this wonderful academic adventure.

Please make sure you look at the third grade supply list so you will be prepared for the first day of school. The supply list is on our school website. I have also created a third grade website called **Mrs. Vitanza's Corner** for you check out. You can find information about me and information on things that are going on in the classroom as well as photos.

When you arrive at school on the first day, please bring a paper lunch bag filled with five items that say something important about you. (ex. your favorite book, something that tells about a hobby you have or a sport you are interested in doing) Remember all five items must fit in your bag, so be creative. You will be sharing these items with the class. Rest up and I will see you soon.

Mrs. Vitanza
