Dear Terrific Third Graders,

Welcome to third grade! I hope you had an awesome summer and are looking forward to the beginning of the new school year. I am very excited to be your third grade teacher! This is my fifth year teaching third grade at Amsterdam and I couldn't be more thrilled! We have so much to learn and so many fun projects to complete. Third grade is a very special year!

In addition to the third grade list (which is located on the school site--with my additional supplies as well) please bring 5 sturdy two pocket folders (pockets on the bottom), one notebook, one marble notebook and disinfectant wipes. Also, it is a good idea to bring in your own earbuds for the computer. Put them in a labeled baggie. Please label all of your school supplies, prior to the first day of school, with your first and last name!

When you come to school on the first day, please bring a paper bag filled with five items that say something important about you. For example, a favorite book, something that represents a hobby or sport you are interested in, pictures, etc. Remember all five items must fit in the bag, so be creative! You will be sharing these items with the class as a fun way to get to know each other!

I know we will have a fabulous year together! I can't wait to meet each one of you and to get to know you better. Enjoy the rest of your summer and I will see you soon!!

Warmly,

Miss Shapiro
