

Faster than a speeding school bus! More powerful than a Chromebook!
 Able to leap over playground obstacles in a single bound!
 Look! At Amsterdam School...

It's a BIRD! It's a PLANE! No... It's Mrs. Caudill's SUPER Learners!

I am excited about the SUPER year ahead! As we prepare to FLY into a learning adventure, you and your SIDEKICKS will work together to develop valuable skills while expanding your schema. You will SOAR into learning through hands on activities, engaging stories, creative role playing, challenging problem solving, and interactive learning activities. Oh, and did I mention GAMES? Everyone will have the chance to take the lead and share their knowledge and experiences. All the while, you will MARVEL at all of the fun we are having!

A Fourth Grade Supply List is available on the Amsterdam School website.

So enjoy the end of summer and rest up! We have a lot of work to do this school year as we soar UP, UP, and AWAY into learning in Room 23.

Your Superhero Teacher,
 Mrs. Caudill
