

Hi!

I'm Miss Fucaloro

Teaching is an absolute **passion** of mine! I am so excited to work with you and your child! It's going to be a year full of **fun, learning**, and lots of **adventures** and I can't wait to see what the year has in store for us! I thought you'd like to know a little bit about **me**.

This is my **fourth** year teaching in Hillsborough School District. Prior to that, I graduated from East Stroudsburg University with a **dual-degree** in Early Childhood and Special Education. I have always had a passion for working with children and began my career when I was a **teenager** working in a daycare center.

I absolutely **love** teaching first and second grade, and we will have so much fun **playing** and **creating**! In our class, we work for some really **Silly** rewards! So if your child comes home with a note saying they are allowed to bring in a **stuffed animal** or they insist that they're allowed to take their **shoes** off in school, don't be alarmed! It is my **mission** and goal to incorporate fun and silliness into our learning time!

Please let me know if you have any questions or concerns. It is so important to keep communication **open** between us, and I would love to talk to you whenever you feel the need!

For some of you, we've already had some **wonderful** memories together, and I am thrilled to create more memories, laughs, and learning with you this year!
