

Kindergarten Supply List

- **Large Backpack**-At least 11” by 14” **No wheeled backpacks please!*
- **One Folder**-This will be used as a Take Home folder so a two pocket folder would work best. Please make sure the pockets are horizontal and not vertical. **Plastic ones last the longest!*
- **Art Smock**- An old t-shirt would be fine. Please send the smock in a **large plastic Ziploc bag, labeled with your child’s name.**
- **3 Expo markers with an eraser**- Please make sure the Expo markers are blue, black, green or red. Also, an old sock works well as an eraser.
- **Pencil Box**- The students will be storing their dry erase markers and eraser in here, so please make sure it is large enough to hold them.
- **Headphones** or **earbuds** for Chromebook
- *****OPTIONAL*****- A mouse for Chromebook (one will be supplied, but some children may prefer to bring in their own.)

****We will have crayons, markers and colored pencils available for the students to use throughout the school year, so it is not necessary for them to bring to school.**

PLEASE label all items with a permanent marker!
