Dear Second Grader,

Welcome to Second Grade. I am so excited that you are in my class. We will have a lot of fun this year in second grade. I can't wait to meet you on the first day of school.

Let me share a few things about myself. I do live in Hillsborough so you probably will see me around town. I have 3 kids, my youngest is in fourth grade this year.

Second grade is full of fun learning. You will make many new friends this year and make many new memories. I can't wait to start all the activities and projects with you. I'm sure you will look forward to each day.

To help you prepare for the first day of school. Have mom or dad help you get the second grade supply list from the school website. I attached a copy as well to make it easier. Please bring these additional supplies that are not on the list too.

- 1 2in. Binder
- 1 marble notebook
- 1 highlighter
- Headphones
- (optional) a computer mouse labeled with child's name and in a ziploc bag.

I am looking forward to the start of school. I can't wait to meet you. Please enjoy the last few days of your summer break. See you in September.

Best Wishes,
Mrs. Krasnansky
