Dear Boys and Girls,

Welcome to fourth grade! I hope you had a fabulous summer. It is hard to believe that a new school year is already here. I am very excited to be your fourth grade teacher. Fourth grade is a very special year, and you will be sure to leave with wonderful memories.

Please be sure to bring all your supplies to school on the first day. The list is posted on the Amsterdam website. Please try to follow the list as closely as possible. Don't forget to check the **bottom** section for the school supplies that are just for our class. Please label all of your supplies with your first and last name.

I would also like for you to complete the attached survey and bring it with you on the first day of school so that I can learn even more about you. I can't wait to begin our school year together. See you soon!

Sincerely,
Mrs. Moak
