

# Welcome to Kindergarten!

Dear Kindergarteners,

Hi! My name is Mrs. Sestokas and welcome to Kindergarten! I am going to be your new teacher and am ready to have an amazing new year with you!

I am so excited to exchange new stories with you about our lives over summer vacation! As a little preview, I wanted to let you know that this summer I spent a lot of time playing with my dog who just loves playing in our pool! I also spent long days at the beach and even traveled to Hawaii! Most importantly, I planned so many fun activities for us to do during this new school year!

In Kindergarten, we will have so much fun! We will develop a love for reading, explore the sciences, become excellent writers, make new friends and much, much more! I cannot wait to get our year started!

Yours Truly,

Mrs. Sestokas
