

WELCOME

Dear Boys and Girls,

Welcome to Kindergarten! My name is Mrs. Schafer, and I will be your teacher this year. I can't wait to meet you and start our new journey together!

It's going to be a year filled with fun, learning, new friends and new adventures. I have been planning lots of fun activities and I can't wait to do them with you! Throughout the year, we will develop a love for reading, writing and explore so much more!

I am so excited to hear all about your summer vacation! My family and I have had a fun filled summer. My two children keep me very busy. When we are not busy going to karate, dance and soccer games, we enjoy baking, going for walks, and cooking as a family. We also took a few fun family trips together.

I am thrilled to be your teacher and for you to be part of our class. Enjoy your last days of summer, and I'll see you soon!

Love,
Mrs. Schafer
