

Dear Fourth Graders,

Welcome back to Amsterdam School! My name is Miss DiLeone, and I will be your teacher this school year! I LOVE teaching fourth graders because we always have a blast working on projects, learning new concepts and creating unforgettable memories. I have heard what wonderful, hardworking students you are, so I know we will make a great team in fourth grade! Before we begin in September, I want to share some fun details about my summer with you.

Wow! This summer has been fantastic! I have had a lot of time to relax and get together with my family and friends. I enjoyed summer days at the beach, taking walks outside and traveling to New York City! Most importantly, I have had the chance to do one of my favorite hobbies... READ! I spent most of my beach days sitting in the sand with a book in my hands! Have you read any page-turning books this summer? I hope you have!

Besides soaking up the summer sun, I have spent much of this summer preparing to teach you! I am very excited to guide you through your fourth grade subjects. This year, as fourth graders, it is your job to be extraordinary role models and consistently demonstrate a positive attitude towards learning and your peers. I know this will not be a challenge for you!

I hope you are excited for Fourth Grade. We are going to have a blast! Enjoy your final weeks of summer vacation, prepare to share all about your summer adventures and get ready for a fabulous year!

Sincerely,

Miss DiLeone
