

Dear Fourth Graders,

Welcome back to Amsterdam School! My name is Ms. DiLeone, and I will be your teacher this school year! I LOVE teaching fourth graders because we always have a blast working on projects, learning new concepts and creating unforgettable memories. I have heard what wonderful, hardworking students you are! So, I know we will make a great team in fourth grade! Before we begin in September, I want to share some fun details about my summer with you.

Wow! This summer has been fantastic! I have had a lot of time to sit back and relax!!! I enjoyed summer days at the beach, eating my favorite foods, and going for hikes! Most importantly, I have had the chance to do one of my favorite hobbies... **READING!** I spent most of my beach days sitting in the sand with a book in my hands! I also spent a lot of my summer preparing for my upcoming...wedding!! I am so excited about this upcoming school year because I will be getting married in April! Don't worry, you can still call me Ms. DiLeone all year long! :)

Besides soaking up the summer sun, I have spent much of this summer preparing to teach you! I am very excited to guide you through your fourth grade subjects. This year, as fourth graders, it is your job to be extraordinary role models and demonstrate a positive attitude towards learning and your peers. I know this will not be a challenge for you!

Please bring your supplies when we return to AMS. The 4th grade supply list is posted on the Amsterdam School Website. I hope you are excited for Fourth Grade. We are going to have a blast! Enjoy your final weeks of summer vacation, prepare to share all about your summer adventures and get ready for a fabulous year! I can't wait to meet you!!

Sincerely,

Ms. DiLeone
