

Welcome to Mrs. Comune's 3rd and 4th Grade Class!

I am excited about the SUPER year ahead! As we prepare to fly into a learning adventure, you and your friends will work together to develop valuable skills while expanding your learning.. You will soar into learning through hands on activities, engaging stories, creative role playing, challenging problem solving, and interactive learning activities. Everyone will have the chance to take the lead and share their knowledge and experiences. All the while, you will love all of the fun we are having!

A 3rd and 4th Grade Supply List is attached.

So enjoy the end of summer and rest up! We have a lot of work to do this school year as we soar into learning in Room 13.

Your Teacher,
Mrs. Comune
