

Kindergarten Supply List

- **Large Backpack**-At least 11" by 14" **No wheeled backpacks please!*
- **One Folder**-This will be used as a Take Home folder so a two pocket folder would work best. Please make sure the pockets are horizontal and not vertical. **Plastic ones last the longest!*
- **3 Expo markers with an eraser**- Please make sure the Expo markers are blue, black, green or red. Also, an old sock works well as an eraser.
- **1 pair scissors**
- **Pencil Box**- The students will be storing their crayons, scissor, pencils, dry erase markers and eraser in here, so please make sure it is large enough to hold them. Please label with your child's name.

Your child's teacher will provide each child with their own pencils, crayons and glue stick that will be kept in their individual pencil boxes.
